

# Kryo 65/65 OD

- **Coffee bean hopper 1.3 kg 2.9 lb**  
**Production 7-9 kg/h**

## Ergonomics at Your Service

KRYO 65 / 65 OD is fitted with an attractively styled hopper in foodgrade, shock-resistant polycarbonate, whose 1.3 kg capacity allows a classic 1 kg bag of coffee beans to be poured in safely and easily. An adaptor kit is also available for the direct installation of cans of coffee beans.

## Refined Grinding and Micrometric Precision

The KRYO 65 / 65 OD is fitted with a micrometric adjustment device to ensure maximum precision when setting the desired particle size. An anti-accidental rotation lock prevents undesired changes being made to the chosen setting. The flat burrs in 100% steel are subjected to the special ThermoSteel heat treatment to ensure durability.

## The Quality of Instant Grinding

KRYO 65 On Demand is fitted with high-capacity 2.5 in diameter mills, ensuring production of 3.5 g/second. Grinding is instant, and takes place directly in the filter holder, ensuring a fresh, correctly dosed product.

## Kryo 65

<b>Dimensions (W×D×H)</b> 220×356×575 mm - 8.7×15.1×22.6 in	<b>Weight</b> 13kg - 28.7 lb
<b>Coffee bean hopper</b> 1,3 kg - 2.9 lb	<b>Adjustable dose</b> 5-10 g - 0.189-0.35 oz
<b>Production</b> 7-9 kg/h - 15-20 lb/h	<b>Burrs diameter</b> 64 mm - 2.5 in
<b>Voltage</b> 110V - 230V	<b>Frequency</b> 50/60 Hz
<b>Power</b> 450 W	<b>Motor speed</b> 1350 rpm

## Technical features Kryo 65

Semi-automatic (ST) and automatic (AT) version  
 Fins in die-cast aluminium  
 ThermoSteel treated steel burrs  
 Continuous micrometric adjustment with anti-accidental rotation lock  
 Aluminium outlet  
 Hoppers in food-grade polycarbonate

### Materials

Aluminium, ABS

### Colours

Black

## Technical features Kryo 65 OD

Dose dispensed by start button on keypad or by inserting filter  
 3 programmable doses: single, double, custom  
 User-friendly interface  
 Fins in die-cast aluminium  
 High capacity ThermoSteel treated stainless steel mills  
 Micrometric adjustment with anti-accidental rotation lock  
 Hoppers in food-grade polycarbonate  
 Hands-Free height-adjustable fork

### Materials

Stainless steel, Aluminium, ABS

### Colours

Black
