PERFECTLY CRAFTED

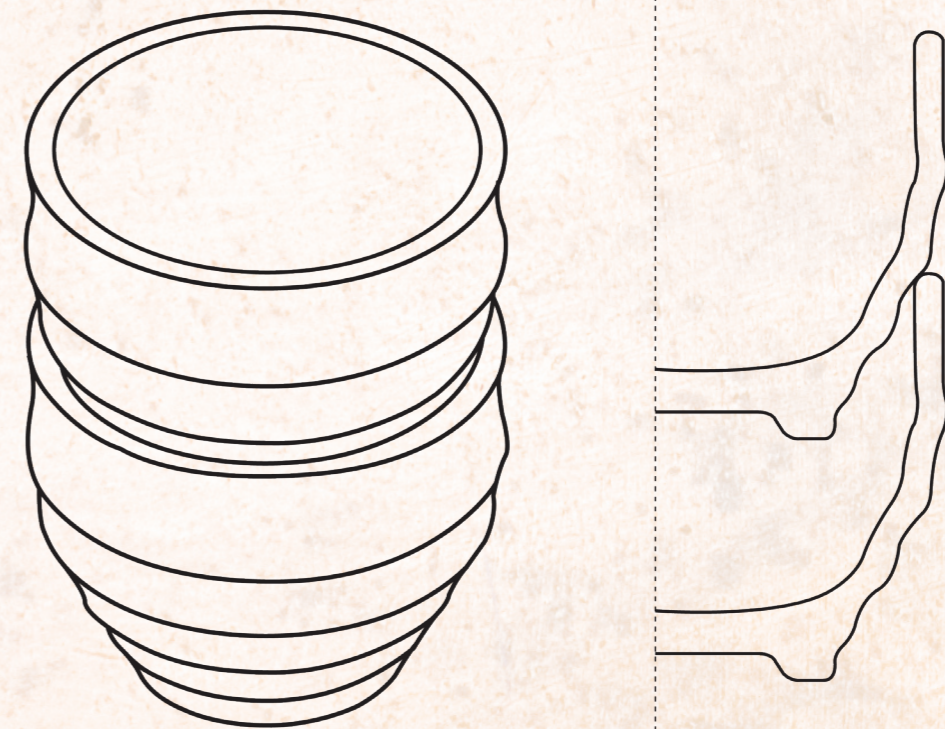

The way food tastes is influenced by more than simply the ingredients it contains. Studies suggest that the colour and texture of plates and even the actual shape of bowls can have a direct impact on the way we experience flavours. Artisan is born out of this philosophy.

Artisan is a beautiful new tableware range that combines shape, texture and colour in a way that is designed to elevate and enhance the entire dining experience. Inspired by the hand-thrown style of pottery design studios, Artisan offers something unique. It combines the look of a hand-crafted product with the strength, consistency and durability of tableware that has been produced by a truly world-class manufacturing process. This ensures that Artisan is every bit as practical as it is beautiful.

And what makes Artisan even more appealing is its ability to deliver this unique combination at a price that offers you exceptional value for money. Artisan. It really is perfectly crafted.

STACKABLE DESIGN

Artisan offers innovative solutions to help you maximise your storage space. The contemporary stacking shapes of this range make it uniquely practical. Artisan tableware has been specifically designed to stack on its rims and protect the foot from touching the item below, reducing the risk of products being scratched.
